

SEASON'S
GREETINGS
WARMEST WISHES
FOR THE COMING
YEAR 2018

socionext™
for better quality of experience

Dear Reader,

Welcome to another edition of Socionext News. Another busy year has passed, we have had so much happening within Socionext Europe that we decided to give you an insight into the highlights of 2017 and an outlook on 2018.

In the News

Innovative Solutions for Network Display Architectures

Markus Mierse, Senior Director of the IoT & Graphics Business Unit at Socionext Europe was interviewed by the Editor of Automotive Electronics Magazine on automotive displays and concepts. Particularly with regards to automated driving, mirror replacement systems and safety & security.
